MEMORANDUM FOR THE RECORD

SUBJECT: RIF [redacted] 25X1

25X1

1. The former chief of OP/Special Activities Staff, [redacted] has 25X1
just returned from a trip [redacted] where he briefed a group of senior
managers about how we handle difficult separations and problem cases at the
Agency. While at [redacted] he learned that between 400 and 500 employees 25X1
are scheduled to be RIFed before Thanksgiving. Apparently very little thought
has been given to the possible security ramifications of this action.

2. There is probably not a great deal that we can do about this.
However, offices who have been using [redacted] to support them in sensitive 25X1
operations should be aware of this development.
